LSO comments:

- The times requested for the sale of alcohol on the premises are until 2am. Sections 12.7 and 12.8 of the Licensing Board's Statement of Licensing Policy, relating to extended hours and licensed premises, state that extended hours may be considered appropriate in the case of a special event of local or national significance.
- The Licensing Board may consider that the Shetland Folk Festival meets the criteria of a special event of local or national significance and also allow extended opening hours until 2am as in previous years.
- I therefore have no objections to the application based on the assumption that the event will be run in a similar responsible fashion by the Folk Festival Committee.
