LSO comments:

As Licensing Standards Officer for the area I have no objections to the above application, however I would like to comment as follows:

- The terminal hour applied for, 2am on 10 October is out with the hours normally permitted by the Board - The Board has powers under S67 of the Act to grant a general extension of licensed hours in connection with special events of local or national significance
- I have received no complaints regarding previous events

Police comments:

No objections
