ON  
D-DAY!

There is one important thing to do on D-Day! - **Phone in and vote** for Shetland's own dance mats (Phone number is not available until D-Day)

### Big Lottery Fund—People's Millions

Active Schools (part of SIC Sport & Leisure) has applied to the Big Lottery Fund's "People's Millions" for £45,000 of funding to buy a state of the art dance mat system. We have asked for 24 mats which can be run as one big system or as 2 separate 12-mat systems.

A film about the dance mat project will appear on the STV regional news on Monday 23rd November at 6pm. Another project will also be shown. The public are asked to **phone in and vote** for their favourite, and the one with the most votes receives the funding.

**Shetland**

## Why is Active Schools applying for this funding?

- The mats are extremely portable and can go all over the islands to all community groups, schools, etc.
- Dance is extremely popular but there are not enough places for people to take part in dancing to chart hits.
- There is a range of difficulty levels which means that everyone can have a go.
- Dance mats offer a fantastic way of keeping fit—no matter what age you are!
- They have a brilliant selection of tunes from current chart hits to 60s classics!
- You can take part competitively or just for fun!
