

Discover Scotland's enormous heritage potential!

Opportunities to join our Committee for Scotland

Heritage is about much more than the past

We fund an incredible range of projects supporting heritage, learning, conservation and participation. Our goal is to reflect the vibrancy of the many different communities that have shaped Scotland's heritage.

The Heritage Lottery Fund (HLF) distributes the heritage share of funds raised by the National Lottery. Since 1994, HLF has invested over £506 million in Scotland's heritage through nearly 3,000 projects, with awards ranging from hundreds to several million pounds.

Help shape Scotland's heritage future

We are now seeking to appoint two Committee Members.

The Committee for Scotland makes decisions on grants between £50,000 and £1 million. Recent Committee awards include support for projects such as Knockando Wool Mill on Speyside and Perthshire Big Tree Country, as well as development grants for the derelict St Margaret's Church Oatlands in Glasgow's East End.

The Committee also provides a country perspective to the HLF Board on grant requests over £1million and on the funding priorities for Scotland. Previous awards include the Riverside Museum in Glasgow, and the Royal Museum in Edinburgh.

Members meet people involved in heritage projects, represent HLF at openings and events and act as an advocate for the value of heritage to modern life in Scotland.

We welcome interest from people with a range of backgrounds and experiences who can demonstrate they can apply their skills to, and have enthusiasm for, the role. Applications are invited from people with an affinity for Scotland's diverse heritage. Knowledge of historic buildings, the natural environment or the youth, community and voluntary sectors would be welcome.

If you would like further information about the vacancies, or wish to apply, then visit <http://www.hlf.org.uk> or email decisionmakers@hlf.org.uk or telephone 020 7591 6014. Closing date for applications is 11 June 2010.
