

APPENDIX 2

Local Plan Monitoring: Graphs Displaying Planning Applications in Community Council Areas

Introduction

This appendix displays planning applications for each Community Council area. The pressure areas have been analysed separately.

It should be read alongside Appendix 1, which contains a summary of each area and a full explanation of the type of application and abbreviations.

Abbreviations

DEL APP – An application that has been delegated and approved under the Planning Authority's powers. Such an application is dealt with 'in house' and does not go to Planning Committee for decision.

PB APP & APP – An application recommended for approval by the Planning Service that has subsequently been approved at Planning Committee.

PB REF & REF – An application recommended for refusal by the Planning Service that has subsequently been refused at Planning Committee.

PB REF but APP – An application recommended for refusal by the Planning Service that has been approved at the Planning Committee.

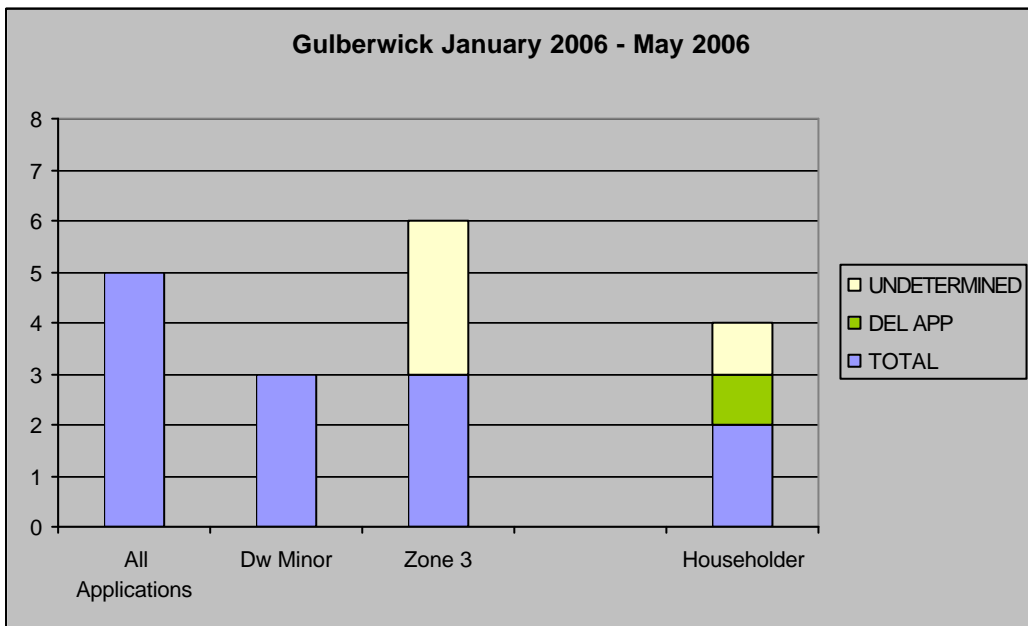

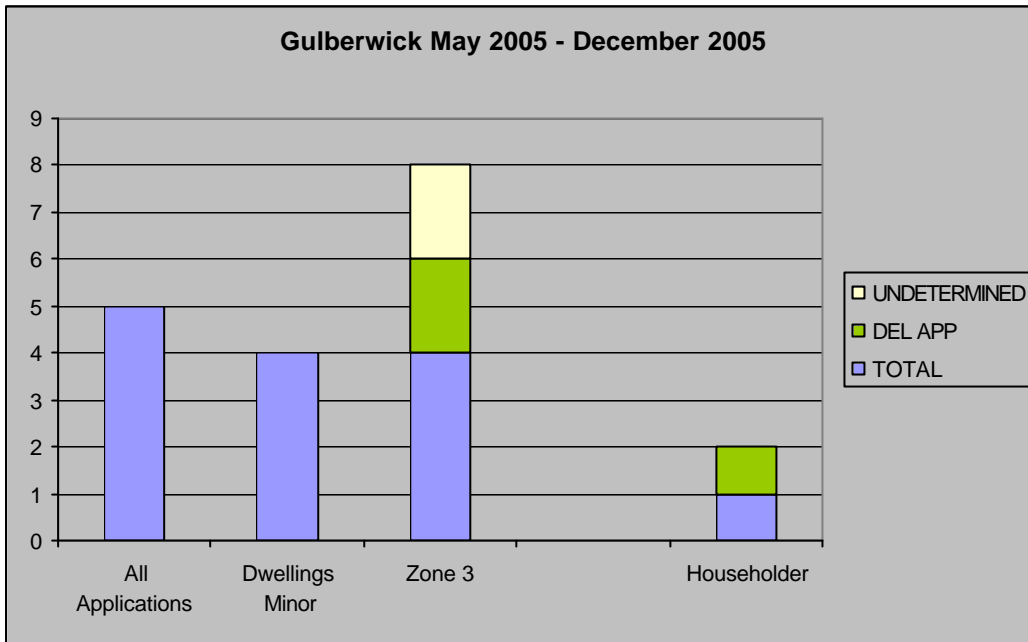

PB APP but REF – An application recommended for approval by the Planning Service that has been refused at the Planning Committee.

PN – Prior Notification

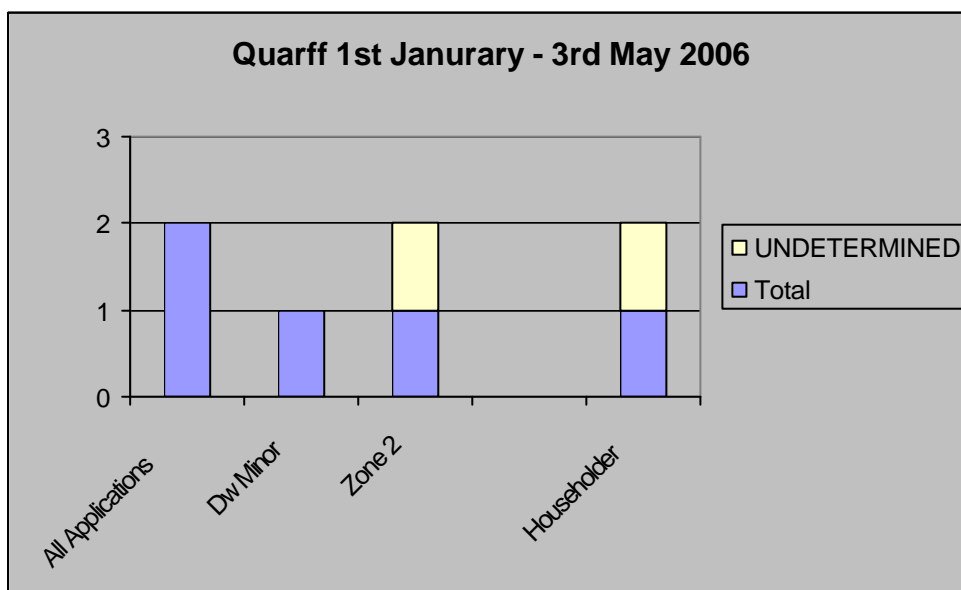

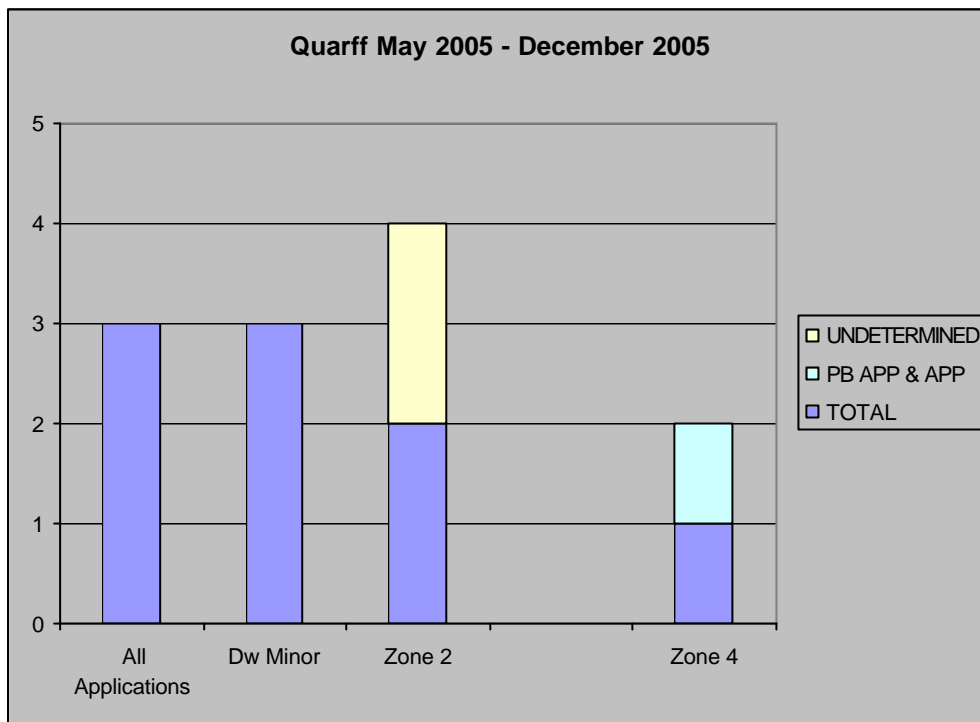

LBC – Listed Building Consent

DW Minor – Application for 10 or less dwellinghouses.
