

SIC Ferry Operations Vessel Charter Rates

Commercial and private charter rates are not subject to VAT, unless the charter is for carriage of cargo only.

Prices correct at time of publication. **Rates subject to change without prior notification.**

All commercial and private charterers (chartering any vessel after 1st April 2017) shall have to sign and comply with the terms of the Council's Charter Party Agreement (example published online).

All rates are for the period specified and are deemed as part hour/block thereof.
