Roads Report – Issued 22 May 2019

Streetlight Replacements

The street lighting renewals have moved on to the A970 in Brae for an estimated 1-2 weeks, there are still some reinstatements to complete on Commercial Road, North Road, Grantfield and North Lochside which will be completed as soon as they can get bitmac.

Any queries regarding these works please contact Mervyn Smith (744896).

Commercial Street, Lerwick

Works to reflag a section of Commercial Street (from Charlotte Street to Todd's Stepps) began on Tuesday 7 May and will last for 9 weeks. The carriageway will be closed for the duration of the works, but access for pedestrians will be maintained to shops at all times.

Any queries regarding these works please contact Grant Anderson (744171).

Tingwall Valley Road

Patching works began on Tuesday 21 May and are expected to be completed by Friday 31 May.

Short delays can be expected.

Any queries regarding these works please contact Grant Anderson (744171).

Busta Road

Patching works began on Friday 17 May and will be completed on Friday 24 May.

Traffic light will be in operation during the working day.

Any queries regarding these works please contact John Duncan (744105).

Lower Voe

Patching works are due to begin on Wednesday 29 May and will take one day to complete.

Short delays can be expected.

Any queries regarding these works please contact John Duncan (744105).

Fetlar

Patching works began on Monday 20 May and are expected to take 2 weeks to complete.

Short delays can be expected.

Any queries regarding these works please contact John Duncan (744105).

Symbister, Whalsay

Patching at Dunvegan to start on Thursday 30 May and will take 1 day to complete. Short delays can be expected.

Any queries regarding these works please contact John Duncan (744105).

Lunnans Road, Lunnasting

Resurfacing works are due to commence on the Lunnans Road, between Grunna Voe and "Da Toll", on Wednesday 22 May and will take approximately 2 weeks to complete. The road will be closed between the hours of 9:30am to 3:30pm, Monday to Friday for the duration of the works.

There is no alternative route.

Any queries regarding these works please contact Neil Hutcheson (744882).

Ends.
