NOTES

The calendar of events is created in partnership with PE staff, sportscotland, governing bodies and local clubs

We secured additional funding to grow the calendar and link it to regional/national competition.

This requires us to gather monitoring statistics. Please help us by completing the invites fully with a list pupils attending and which class they are in.

AHS have kindly allowed the 1 & 2 Teacher School event to take place at AHS/Clickimin this year, but this cannot be guaranteed for future years.

Due to the number of entrants, the hockey festival will take place over 2 days. Each school will attend only one of the days.

We intend to work with the Sport For All group to add an ASN pupil event (Boccia Competition) to the calendar.

Primary Netball League starts after Oct hols and finishes before Easter. Detailed information will be circulated separately to schools from Sanna Aitken.
