

# VOLUNTEERING WITH ACTIVE SCHOOLS

Active Schools support volunteers to deliver more and higher quality sport and physical activity opportunities across Shetland. These opportunities include providing a variety of safe sporting activities and events during or after school which requires everything from leading a block of activities to marshalling at a day event.

Volunteering with us can help you to build confidence and gain new skills for your CV. The benefits to the children and the community are huge. Children develop strong social skills and fitness while having a lot of fun. This in turn creates a healthier community and ultimately a better quality of life in Shetland. By completing this form we will help you to achieve your volunteering ambitions and give more children an opportunity to enjoy sport and physical activity.

Thank-you for registering your interest with us.
