Terms and conditions for hire of test weights

The basic hire charge is £4.73 for each individual weight for the agreed duration of the hire, which may not exceed three months.

The hirer will normally arrange transportation of weights to and from the Trading Standards Service's premises at the Greenhead Base.

On request, however, the Service will transport weights for the hirer.

For 500 kg block weights, this will be charged at the rate of £37.13 per officer hour plus the actual costs of hiring suitable vehicles (lorry and forklift truck) plus any additional travel costs incurred by the officer (53.65 p per mile plus any ferry fares).

For all other weights, this will be charged at the rate of £37.13 per officer hour plus 53.65 p per mile plus any ferry fares incurred.

If test weights are damaged or lost at any time while on hire, the hirer will be responsible for paying the full cost of repair or the full replacement cost of the test weights.

The hirer may not loan or sub-hire test weights without prior written consent of the Trading Standards Service.

The hirer is responsible for contacting the Trading Standards Service at or before the end of the scheduled hire period to arrange return / collection of the test weights.

The Trading Standards Service reserves the right to recall test weights from hire at any time.

All charges are subject to VAT at the standard rate.
