Workshops;

SIC Corporate Services have had their first workshop sessions for staff around the options on the table for HSCI and a presentation on the governance arrangements around those options.

This session was on

Monday 12th May
14:00 – 16:00 (Town Hall)

There was a short presentation on governance and then facilitated workshops on the options available to us. Christine Ferguson presented, with support from Laura Saunders. The main feedback from the attendees was;

- Integration is seen as a positive thing, particularly around drive to reduce duplication and streamline decision making
- Feeling of being uninformed
- Staff would like to be kept up to date and would welcome as much information regarding the different phases on integration as possible.
- Staff would like to be as involved as their job/role allows, specifically in relation to localities project as staff felt this is where it will directly affect them the most.

The next sessions are on;

Thursday 22nd May (town hall)

9:00 – 11:00
11:30 – 13:30

Please contact Laura Saunders 01595 74 4355 if you wish to attend.
