

SHETLAND CORE PATHS PLAN

Area Proposal - Sandwick 1-5

Key facts
Number of routes: 5
Total distance: 24km
Total population: 921

CPPS01: Coastal Route to Hoswick
Difficulty: moderate
Surface: uneven grass
Attraction: this community walk is popular mainly due to its coastal scenery, however it is also a biodiversity route because of its flora, fauna, birds and marine life.

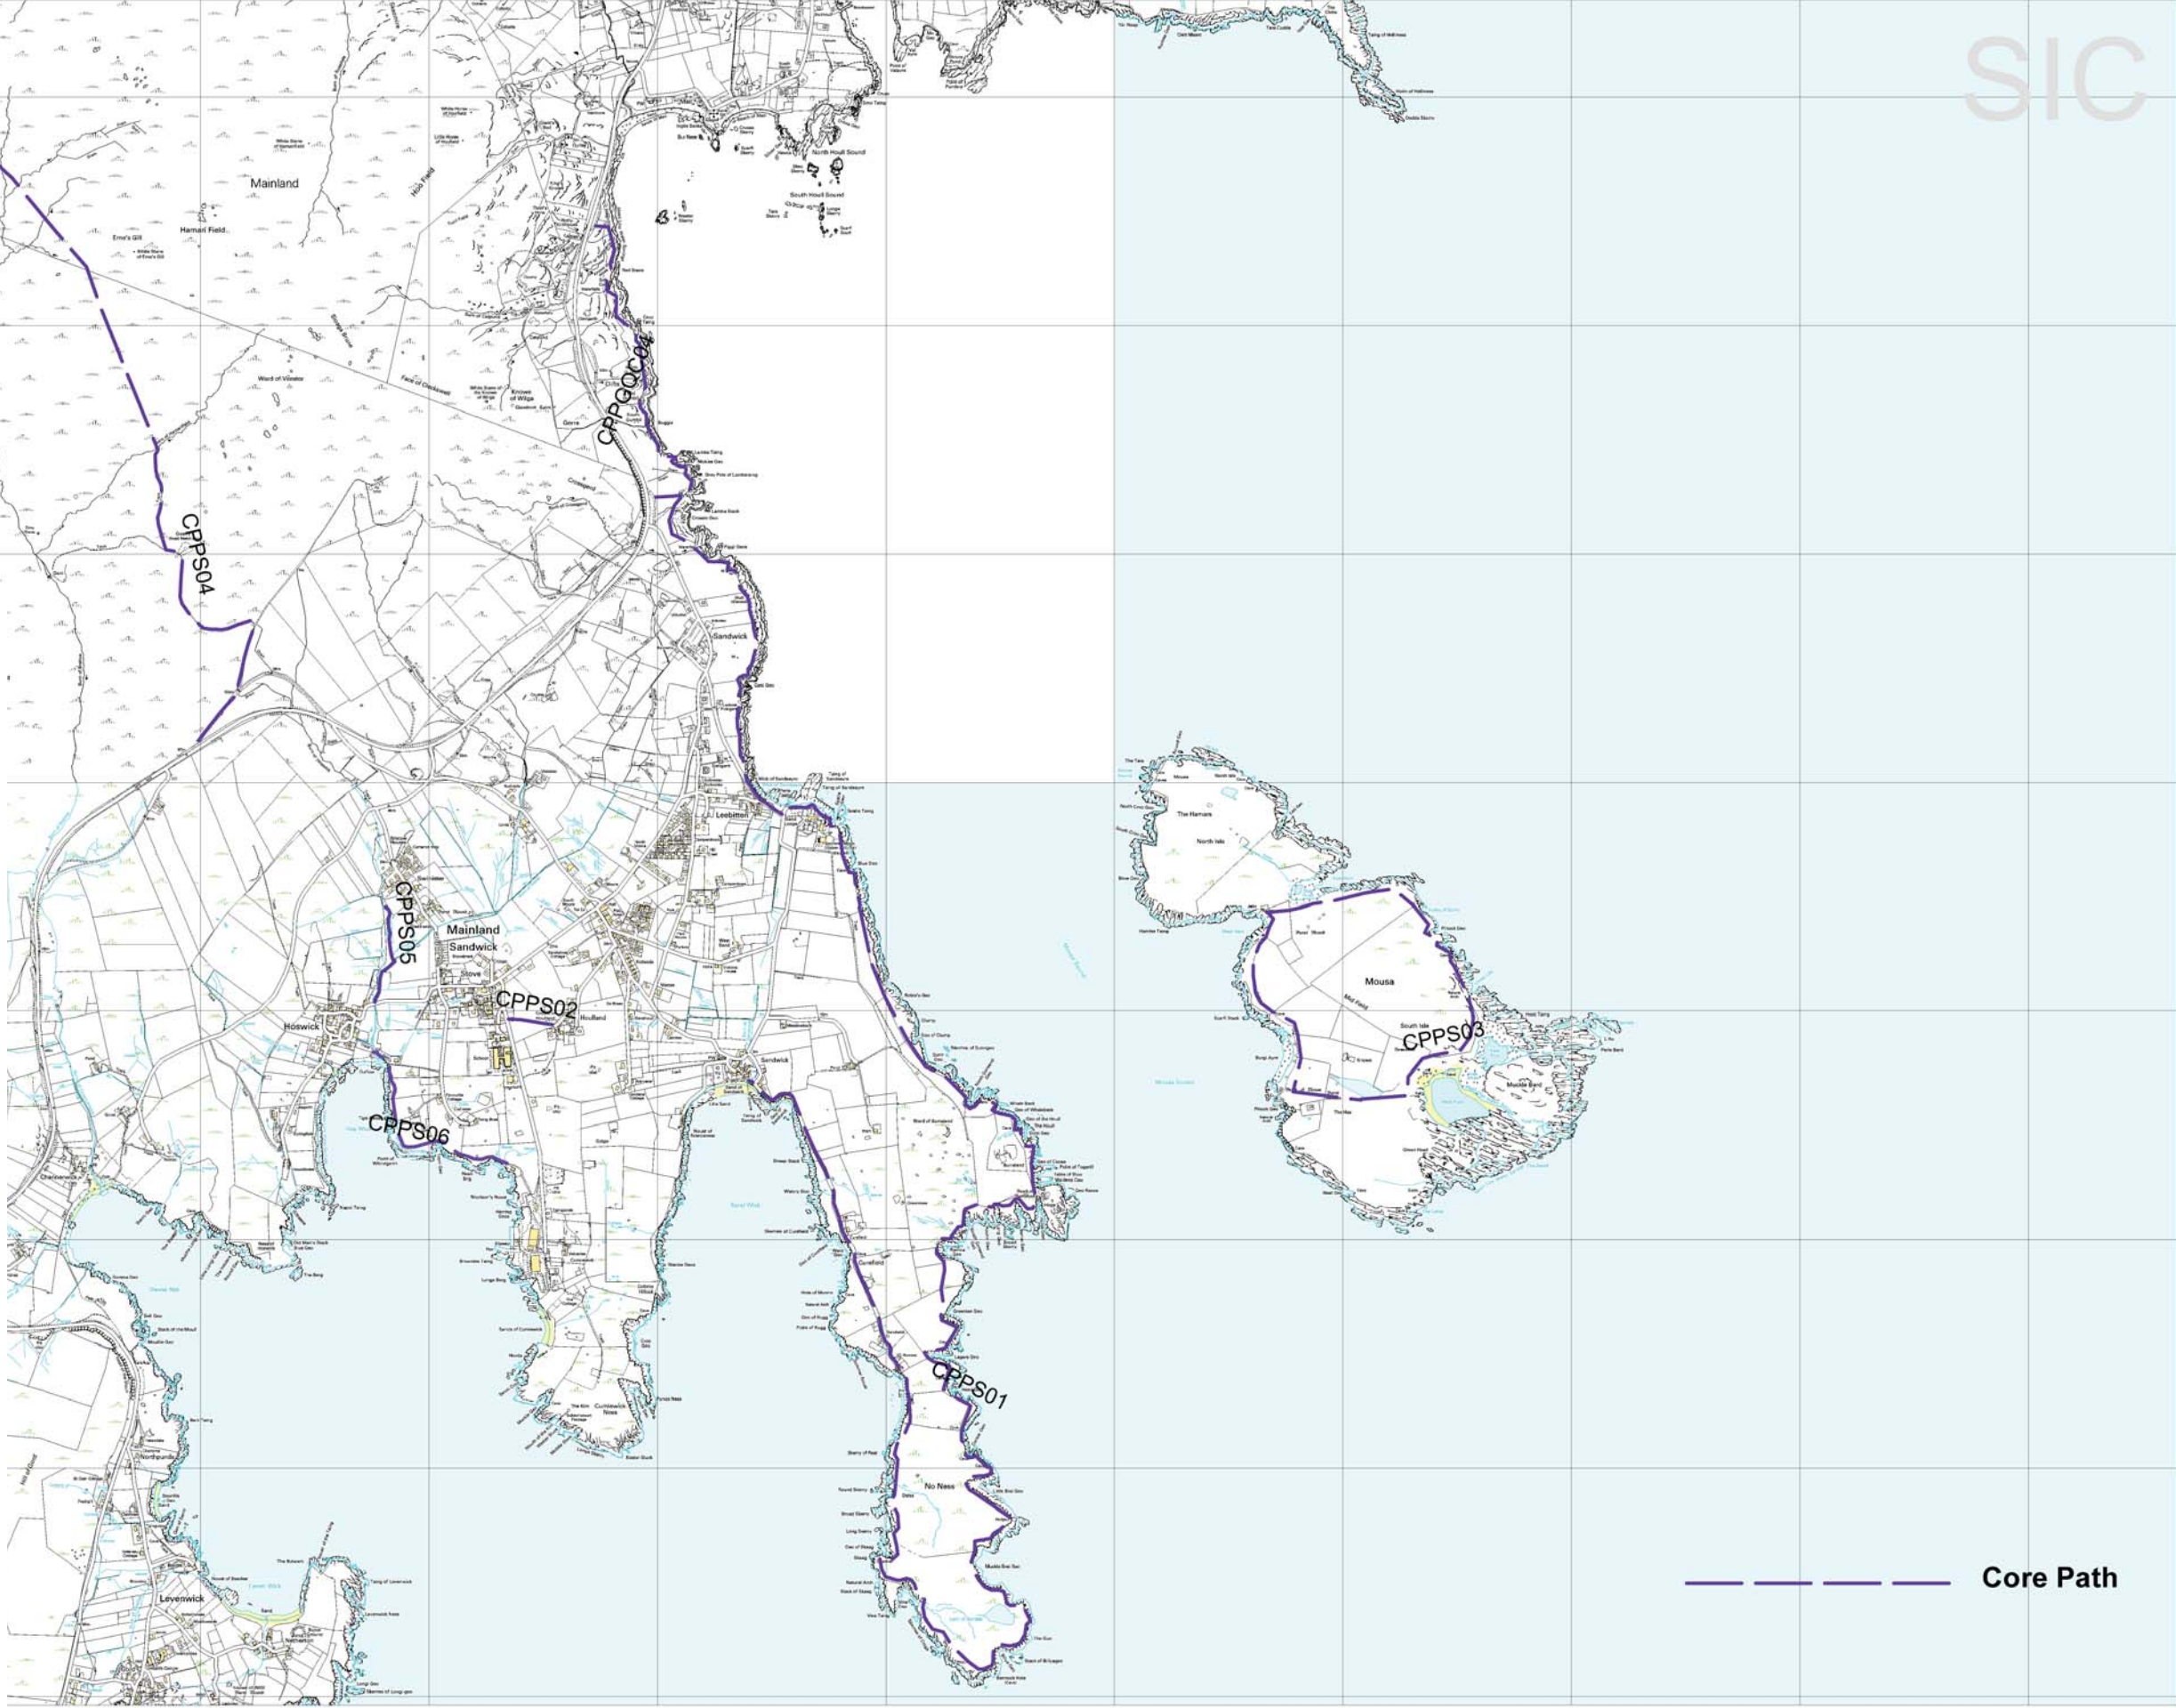

CPPS02: Houlland
Difficulty: easy
Surface: grass track and single track road
Attraction: includes safe route to school and is a community link

CPPS03: Mousa
Difficulty: easy
Surface: grass
Attraction: flora, fauna, seals, birds and Scotland's best preserved broch
Designation: SPA, SSSI and SAC

CPPS04: Mosquito Memorial Trail
Difficulty: challenging
Surface: grass and heather
Attraction: site of WW2 airplane crash

CPPS05: Bum of Setter
Difficulty: easy
Surface: grass
Attraction: community link and amenity with tree plantations

Core Paths in Sandwick include safe routes to school and community links, coastal scenery and access to local historic points of interest. Mousa is a very popular tourist attraction boasting Scotland's largest broch, also significant flora and fauna.
