Form for applying for the grant is online, this has been completed and sent it, but there is no reply to say the grant has been paid into the bank. Some of the questions on the form were difficult to complete as they asked for details on projects we will support, as it is the start of the financial year there are no project applications in for funding.

The accounts for last year are in with VAS for checking.

12.0 AOCB

Community Council Scheme of Establishment

This is now in place. The request to have parts of the review and forms sent out to Community Councillors for comment had not been followed through.

Community Council membership

This was discussed as we have 2 vacant seats, and elections are coming up later in the year, when it is likely there will be more seats vacant.

It is difficult to get interest, but it was agreed that the Co-option Form be sent out to Community Councillors so they have it to hand as they intend asking people if they can get interest.

13.0 DATE OF NEXT MEETING

The next meeting will be held on Wednesday 28th May 2025 at 7.30pm in Nesting Primary School.

The meeting finished at 8.45pm.
