Notice to Mariners

No 08/2026 – Cancellation of Notice to Mariners No 05/24 – Reduced Depth, Scalloway Harbour

Date: 22/06/2026

Mariners are referred to Notice to Mariners No 05/24 (Reduced Depth – Scalloway Harbour), issued 15/05/2024, which advised of localised depths of 8.4 m at chart datum in the main channel.

The investigation referred to in that notice has now been completed and the rocks identified in the main channel have been removed.

A subsequent survey confirms that the main channel has been restored to its charted depth of 8.7 m at chart datum.

Notice to Mariners No 05/24 is therefore cancelled with immediate effect. The area may be navigated in accordance with the published chart.
