Delting Community Council

MINUTES OF A MEETING HELD ON Thursday 8st October 2026 At Mossbank School

2026/09/01 MEMBERS

Mr A Cooper (Chairman)
Ms J Dennison
Mr T Tyler
Mr E Smith
Mr D Clark
Mr D Parker

Mr A Hall - Ex Officio

2026/09/02 IN ATTENDANCE

Ms L Ratter – Clerk

2026/09/03 CIRCULAR

The circular calling the meeting was held as read.

2026/09/04 APOLOGIES

Apologies for absence were intimated on behalf of, Ms R Griffiths, Ms S McDonald, Mr J Milne, Ms E MacDonald – Ex Officio, Ms L Hall, and Mr M Duncan.

2026/09/05 MINUTES OF THE LAST MEETING

The minutes of the meeting held on 27th August 2026 were approved by Mr E Smith and seconded by Mr D Parker.

2026/09/06 DECLARATIONS OF INTEREST

There were no declarations of interest.

2026/09/07 CO-OPTING A MEMBER

There were no new members to Co-Opt.

2026/09/08 MATTERS ARISING

8.1 **Glass on road** – Mr B Gray emailed to say they will leave the bins where they are. Roads will get a bigger plinth made and they will get the bins re-arranged slightly, as there is not quite enough room as it is. Mr J Milne provided photographs of area.

8.2 **Walking and Settlement Audit Recommendations –** There was no update on this item.

8.3 **Community Resilience Plans –** There was no update on this item. See 2026/09/13.18

8.4 **Toft Road –** There was no update on this item.

8.5 **Kissing Gates Moorfield estate –** Clerk emailed Mr N Hutcheson with the members comments. Mr N Hutcheson has not responded. The members would like an update. **Clerk to progress.**

8.6 **Safety Muckle Roe Road –** There was no update on this item. The members would like an update from Mr J Duncan. **Clerk to progress.**

8.7 **Parking in Brae Opposite Garage** – Clerk emailed Mr N Hutcheson with the members comments. Mr N Hutcheson has not responded. The members would like an update. **Clerk to progress.**

8.8 **North Lea Autopoint Mossbank Smell –** There was no update on this item. The members would like an update from SEPA. **Clerk to progress.**

8.9 **Dog litter in Delting –** There was no update on this item.

8.10 **Safety in Woods in Brae –** There was no update on this item.

- Firearms Seizure

2026/09/10 PLANNING APPLICATIONS

10.1 **PLANNING CONSULTATION Ref 2026/176/PPF –** Erection of single storey dwellinghouse with integral double garage, with ASHP and timber decking, formation of vehicular access, and erection of 1.2M post and wire fence, and associated landscaping and drainage works. Plot (East Of Hillgrind), Firth, Mossbank, Shetland by Mr Criag Thomson. Plans can be viewed at Simple Search Clerk obtained responses from members Via email and there were no objections to this application. **The clerk shared email with Delting Community Council members.**

10.2 **PLANNING CONSULTATION Ref 2026/188/PPF -** Full Planning Permission for the construction of new access road and associated drainage infrastructure; and Planning Permission in Principle for ten number 1-2 storey detached residential dwellings for Culsetter Park Phase 3 housing development Land West Of Culsetter Park, Brae, Shetland by Tulloch Developments Limited Plans can be viewed at Simple Search. Clerk requested an extension until Monday 12th October. There were no objections to this application. **The clerk shared email with Delting Community Council members. Clerk to progress.**

10.3 **PLANNING CONSULTATION Ref 2026/192/PPF -** Erection of a new Brae Campus incorporating ELC, primary, secondary and enhanced learning provision with associated car parking and provision of external landscape spaces within the boundary of the existing Brae primary and secondary school site and adjacent pitch. Brae High School, Brae, Shetland, ZE2 9QJ Shetland Islands Council, Assets Commissioning & Procurement. Plans can be viewed at Simple Search. Clerk requested an extension until Monday 12th October. There were no objections to this application. However, Mr Danny Parker, community councillor, would like the following formally noted: - He has no objection on planning grounds to the plans for new school being built in Brae, but he objects to the project as it stands due to the recreation facilities not meeting the needs of the community, mainly the community losing their hockey pitch under the project plans. **The clerk shared email with Delting Community Council members. Clerk to progress.**

2026/09/11 COMMUNITY WORK

11.1 There Was No Community Work Update

2026/09/12 CLERK UPDATE

12.1 The clerk updated members on the final financial position for 26/27.

12.2 Shredder purchased from GTS – total cost £239.99.

12.3 Clerk address has changed. Chairman Mr A Cooper signed the letters for bank. **Clerk to progress.**

12.4 SIC Report needs to be submitted by end of November. Mr A Cooper to write Chairman report and Clerk will put rest together. **Mr A Cooper and Clerk to progress.**

12.5 Mr A Cooper will purchase Wreath for Remembrance Sunday 2026. Mr D Parker will lay wreath at the Remembrance Service**. Mr A Cooper to progress.**

12.6 2027 Meeting dates were approved by members. Dates to be sent through to Mr M Duncan. **Clerk to progress.**

2026/09/13 CORRESPONDENCE

13.1 **VCF - CGS - Projects supported - CGS Application Summary -** The second year of the CGS has now come to a close. Delting Community Council allocated £54,171.50 in 2025/2026. Attached to email is a 'Projects Supported' poster, highlighting the projects we committed to support over the past year. Delting Community Council has £7,419.30 in unspent funds, which have been carried forward into the 2026/2027 allocation of £33,787. This provides a balance of £41,206.30 as of 1st September 2026, as detailed in the attached application summary. The CPI figure is not yet available. Once confirmed, they will contact us with our updated CPI-adjusted allocation, along with promotional materials for the CGS. **The clerk shared email with Delting Community Council members and put on the Delting Community Council Facebook Page.**

13.2 **CGS0088 – Tier 2 Application for Consideration - Voe Community Development Association (SCIO) –** They are looking for funding towards professional fees for RIBA Plan of Work Stages 2–4 for the Voe Sail Loft redevelopment. The redevelopment of the Sail Loft in Lower Voe as a heritage centre to celebrate local history, with basic cafe, some backpacker

accommodation, shower & toilet facilities and basement storage/ workshop space will bring visitors to Voe, which will benefit the local community and Shetland in general. Having completed a feasibility study and business plan which conclude that it should be a viable project, and having secured the funding to purchase the building, they are now seeking support towards all the necessary design work, obtaining statutory consents, and preparation of tender documents to issue to contractors. The redeveloped Sail Loft will provide local employment and volunteering opportunities, together with provision of an outlet for local artists, makers, knitters and local food suppliers. The recently formed Delting history group will be heavily involved in the heritage centre display material, and will arrange talks and events of interest. The community is very enthusiastic about the project and have supported it from its concept. It is anticipated that itmay also encourage further regeneration in the Lower Voe area. The business plan concluded that it should be sustainable, and research indicates that tourism is growing. Total project cost £535,406.00. This application is for assistance towards professional fees for RIBA Plan of Work Stages 2 – 4 as shown on the attached quotation £32,652.00, plus fees for statutory consents £4,550.00 = £37,202.00. They are applying for funding from Architectural Heritage Fund of £20,000.00 not secured and Coastal Communities Fund £7,202.00 not secured. Thet are applying for £10,000.00. Members agreed unanimously to award £10,000.00 **Clerk to progress.**

13.3 Grant Application Form – Royal Voluntary Service – RVS support the over 60's in the Community from isolation, loneliness and providing social activities by way of our social and lunch clubs, transport to vital health and social appointments plus outings. With Christmas being a particularly lonely time for those living alone and those who are getting older, they would like to provide a Christmas party for their clients who attend our social club in Brae. This would involve a Christmas get together in Delting Boat club, and they would like to buy each client a small gift and have a Santa deliver these during lunch. They have around 29 clients who live in Delting area and 2 volunteers who they would like to thank for their service throughout the year and although not all clients will attend the party, they would like to make sure they all have a gift. They are applying for Christmas gifts for 31 people in the Delting area @ £15 a head giving a total of £465.00. They are applying for £465.00. Members agreed unanimously to award £465.00 **Clerk to progress.**

13.4 Shetland Cruise Impact Study - The consultant conducting the study has asked if it would be possible for as many Community Councils as possible to complete the survey. Members decided they would not fill out survey.

13.5 Association of Shetland Community Councils - revised meeting date - Monday 23 November 6pm – 8pm at Town Hall (former chamber). Shayne McLeod has resigned as Chair of the Association of Shetland Community Councils (ASCC) with immediate effect. Shayne passes on his sincere thanks to all Community Councils for his time on the ASCC. Please note the ASCC shall be looking to appoint a new Chair at its next meeting, which is scheduled for 23 November 2026. The agenda pack for the ASCC meeting shall be issued next week. Mr A Cooper will attend the ASCC meeting in person. **The clerk shared email with Delting Community Council members. Clerk to progress.**

13.6 New Tesco Grants platform - shorter application form - Tesco Grants have moved across to a new funding platform, which now has a shorter application form with no need to provide a budget. They are currently short of applications for the Lerwick store and hope people might be interested in applying (you can apply if this is your closest store even if it is a distance away). The next deadline is the end of September for the Dec-Mar customer vote.
There are a few changes to the grants now they have a new funding portal
A minimum of 50% of spend must be on food or food growing related activities/equipment, and all applications should include some spend directly on food.
There is now only a 6 month window for successful applicants to spend their grant. This can be extended in certain cases e.g. if funding is needed for a growing project but is received in winter.
Full funding is provided upfront for all levels of funding.
The application form is shorter, and no budget is needed at the time of applying. You can find out more and apply at Fruit and Veg Grants - Tesco Fundraising | Tesco PLC. **The clerk shared**

email with Delting Community Council members and put on the Delting Community Council Facebook Page.

13.7 **Local Fire Plan Consultation -** The Scottish Fire and Rescue Service is seeking views on the draft Local Fire and Rescue Plan for Shetland 2026. The Plan sets out their priorities for keeping people safe, reducing risk and working with partners to improve outcomes for communities across Shetland. As an important local partner, our views are invaluable. Our feedback will help ensure the final Plan: Reflects local priorities, risks and needs - Supports effective partnership working - Delivers the best outcomes for communities - Informs local service delivery over the coming years. You can view the draft Plan and complete a short consultation survey using the link below: Consultations | Scottish Fire and Rescue Service The consultation is open until midnight on Thursday 15 October 2026. **The clerk shared email with Delting Community Council members.**

13.8 Mr W Leask sent through a template poster for young people to join the community Council. Members want to wait till November to see if he has made any progress with the school.

13.9 **TWWCC Local Place Plan notification -** Tingwall, Whiteness and Weisdale Community Council, a recognised community-controlled body, has prepared a Local Place Plan (LPP) for the Tingwall, Whiteness and Weisdale area. They are now undertaking the statutory 28-day notification period prior to submission to Shetland Islands Council. We are invited to review the proposed LPP and submit any representations by the new submission date of 8th October 2026. **The clerk shared email with Delting Community Council members.**

13.10 **National Islands Plan – poster -** In follow up to the National Islands Plan events they held earlier in the year there is some further information from the Scottish Government Islands Team: As we will be aware, the new National Islands Plan was published in February 2026. The new Plan responds to feedback provided by island communities directly to the Scottish Government via the consultation process, engagements sessions and the Scottish Islands Federation. Part of that feedback highlighted the lack of awareness of the first version of the Plan within island communities, in response the Scottish Government is keen to engage directly with island communities to raise awareness, this includes sessions during the summer in partnership with the Scottish Islands Federation to outline the next steps in regard to implementation of the Plan in its first year. Additionally, efforts are being made to improve awareness through targeted marketing, which includes poster materials to be distributed across island communities. A poster for the Plan has been developed and they are wondering if we would be happy to put these up in the most appropriate places within your community (halls/hubs/notice boards etc.), if so, posters can be sent out to you if needed, unless printed off by yourself. **The clerk shared email with Delting Community Council members and put on the Delting Community Council Facebook Page.**

13.11 **Shetland Islands Payphone removal decision -** On May 22nd, 2026, there was a proposal to remove certain payphones, or the telephony within those payphones, in our area. Having now considered all representations received, their final decision is set out in the attached annex. **The clerk shared email with Delting Community Council members.**

13.12 **Sullom Voe Development Framework - invite to workshop** - Land Use Consultants Limited (LUC) which is supporting the Sullom Voe Energy Hub Working Group in preparing a Development Framework for the Sullom Voe area. The Framework is a high-level spatial plan which aims to provide a coordinated approach to future energy development around Sullom Voe, while identifying opportunities to maximise benefits for local communities and the environment. At an early stage of this work, they are carrying out consultation with local communities to build their understanding of the area, hear about local challenges and opportunities, and gather ideas that can help shape the Framework. They would like to hold a facilitated workshop with members of local groups, including Delting Community Council on Wednesday 23 September, from 7–8pm at Brae Hall. **The clerk shared email with Delting Community Council members and put on the Delting Community Council Facebook Page.** Mr A Cooper attended the event.

13.13 Shetland Unified Statement – Mr A Archer sent through the following email: Our politicians were asked at the ASCC energy convention in August whether they would support a statement calling for a planning inquiry commission and a pause to further developments. The statement that was used was the one that had been used at the first convention in the Highland Region last summer. Alistair Carmichael and Hannah Mary Goodlad both felt that it should be more Shetland focused. Alistair offered to rewrite it and, after a bit of back and forth, Moraig Lyall, Alistair Carmichael and Mr A Archer came up with an amended version. The new version keeps the two key demands of the old one, i.e. a pause to developments and a planning inquiry commission but has added a few words about things that are more relevant here such as fishing, aquaculture and fuel poverty. it has been sent to politicians. **The clerk shared email with Delting Community Council members.**

13.14 Webinar - Met Office Seasonal Briefing including an El Niño update - The Met Office, our National Met Service, will be holding a short webinar to provide the most up to date information around this event. The webinar will be held on Friday 16th October at 10am. To register for the webinar please use the following link: Met Office Seasonal Briefing including El Nino update **The clerk shared email with Delting Community Council members.**

13.15 Family Estrangement Questionnaire - a Scotland-focused project exploring the experiences and support needs of young people and adults who are experiencing family estrangement, including no contact, low contact or emotional estrangement from one or more family members following a breakdown in the relationship. As part of this work, an anonymous questionnaire has been created to help understand people's experiences, the challenges they may face, the support they have been able to access, and where they feel there are gaps in existing support. The questionnaire is anonymous, participation is voluntary, and information provided will be used solely for the purposes of this project. The questionnaire also includes information about support and what to do if someone feels unsafe. The link to the questionnaire is: https://docs.google.com/forms/d/e/1FAIpQLSdt2IgQhlFj1ejQK6NaQGv3QrEz0PJ3jj6WA8rzSgqxAgzg1w/viewform?pli=1 **The clerk shared email with Delting Community Council members and put on the Delting Community Council Facebook Page.**

13.16 Follow up: Mossbank boat noost/tether – Ms G Higgins emailed to explain why there may be some activity at the Mossbank landfall position where their subsea cable was installed last year. They have been monitoring the reinstatement at the shore end following completion of the cable installation and determined it will be necessary at this stage to remove the boulders that remain for the following reasons:
1-To reinstate the ground to as close as possible to the pre-works levels (a license requirement) and that this is now possible with the disturbed area having stabilised, dried out a bit and partially revegetated.
2-To re-establish unobstructed access between the beach and the boat noost/access track – the beneficiaries of this are members of the wider community including anyone who wants to use the noost now or in future but also anyone just wanting to go down to the beach here. The individual tenants involved have been kept informed via their Consents Team, however they wanted to ensure the community understands why they are working at that landfall position far beyond the completion of the cable install. **The clerk shared email with Delting Community Council members.**

13.17 VAS Volunteering Awards 2026 - Voluntary Action Shetland (VAS) are delighted to announce the launch of the VAS Volunteering Awards for 2026. Adults and 26 years or older - Nominate them for a WILLIN HAANDS AWARD Children under 12 - Nominate them for a PEERIE TROWS AWARD. The nominations open today: Tuesday 22nd September and close October 12th. To nominate, folk can fill in the online form https://form.jotform.com/261102889738062 also available on their website or contact VAS Volunteering vasvolunteering@shetland.org for a paper format. **The clerk shared email with Delting Community Council members.**

13.18 Community Council Training - Introduction to Community Resilience Planning – Mr M Duncan thanked to those who attended last week's introduction session on Community Resilience Planning. Mr Ian Taylor shared the following links -

https://ready.campaign.gov.scot/community-emergency-planning
https://ready.campaign.gov.scot/publications/2026/march/building-resilient-communities
https://ready.campaign.gov.scot/publications/2026/march/community-emergency-planning-guide
https://ready.campaign.gov.scot/publications

Following on from last week's session there will be another in person Community Resilience Planning session on Saturday 31st October. This session will take place in Islesburgh Community Centre, room 10 from 10.30am – 1.00pm and is designed to provide an opportunity for draft Community Resilience plans to be checked and feedback provided. Between now and the 31st of October, Community Councils are asked to have conversations in their respective areas to determine which organisation will lead on the Community Resilience plan. The lead body can be a Community Council, or it may be another anchor body such as a local Community Development Organisation. Once this has been established, details such as local contact person(s), and which venue or venues are to be used as a resilience hub in case of an emergency shall need to be agreed. It is also worth checking if the identified venue(s) have adequate facilities and provisions in place, or what steps are required to address this. The attached template plan is then to be completed as far as possible and shared with Ian Taylor for feedback. The draft plan can either be submitted to Ian via email in advance of 31st October, or it can be taken along to the session on the day for checking. Mr Duncan provided Ian's contact details below for ease of reference. Lastly, for those who attended the session please complete & return the attached evaluation form. **The clerk shared email with Delting Community Council members.** Members discussed the fact that when they last discussed Community Resilience Planning more questions were raised than answers and they had invited Mr I Taylor to a community council meeting in early 2025 but had no response. There are still a lot of questions surrounding how the members were meant to implement this within the Delting Community and they were unsure what jurisdiction they would have. Clerk to feedback to Mr M Duncan. **Clerk to progress**

13.19 Transport Committee - evidence session - Paul James Skerries Community Council will represent ASCC **The clerk shared email with Delting Community Council members.**

13.20 Making Waves / Scotland's Marine Futures - General Update - Scotland's Marine Futures (previously, Making Waves) will be continuing over the longer term. Attached an Overview of the process so far which may be helpful in showing how their conversations in Shetland fit with the ongoing work, particularly at the national level. **The clerk shared email with Delting Community Council members.**

13.21 Prepare and Be Aware Flood Resilience Campaign - This campaign has been developed to support people and communities to be better prepared for flooding and encourage and inspire action when it matters most. We can help support communities across Scotland to be ready for flooding this winter by sharing their information. Flooding can affect anyone, disrupting travel and damaging homes. SEPA work 24/7, 365 days a year to help communities and businesses by providing services, advice, and information to help reduce the impact of flooding. The campaign, launched this week, will run nationally until February 2027, supported by paid social media advertising across our digital channels. Enhanced communications activity will also take place in the Scottish Borders, Argyll & Bute, and Dundee & Angus, with targeted activity across radio, social media and digital platforms. They would be grateful if Delting were to get involved and support flood awareness and community resilience by using their toolkit across our own channels, helping them to reach more of Scotland's communities.

We can help spread the word by:

Sharing 'Prepare and Be Aware' posts from SEPA on social media (Scottish Environment Protection Agency on Facebook and @SEPAFlood on X).

Posting to your own social media channels using the content, graphics and videos available in their flood campaign toolkit.

Publishing the news article included in the toolkit document with one of their images to our website, intranet or newsletters.

Download and print Prepare and Be Aware posters for your offices and venues. Adding or updating flood preparation information to our website including a link to sepa.org.uk/flooding **The**

clerk shared email with Delting Community Council members and put on the Delting Community Council Facebook Page.

13.22 Lerwick28 survey - deadline Fri 9th October - Lerwick is in the running to become the UK's first ever Town of Culture in 2028 – and people across Lerwick and Shetland are now being encouraged to help shape the next stage of the bid. You can find out more about Lerwick28, the ideas behind it and what it could mean for the community at:https://lerwick28.com/ The Lerwick28 survey is now open at: https://lerwick28.com/survey The survey closes on Friday 9 October. **The clerk shared email with Delting Community Council members.**

13.23 IITC: Strategic Environmental Assessment Public Consultation - Shetland Islands Council is inviting the public to comment on the Strategic Environmental Assessment (SEA) of the emerging Shetland Inter-Island Transport Connectivity Programme (IITCP), through a 6-week public consultation on the accompanying Environmental Report. A Strategic Environmental Assessment (SEA) is a legal requirement under the Environmental Assessment (Scotland) Act 2005. It is a structured process used to identify, describe. and evaluate the likely effects – both positive and negative – that a plan or programme could have on the environment before decisions are made. For the IITCP, this means looking closely at how the different transport options being considered for each island may pose significant effects on wildlife and habitats, water quality, soils and peatland, air quality and noise, greenhouse gas emissions, historic sites, and the character of Shetland's landscapes and coastline. The SEA also considers how these effects could be reduced or avoided, and how the Programme could bring wider benefits, such as improved health, wellbeing, and community resilience. Importantly, the SEA process is designed to inform and improve the Programme as it develops, rather than simply assess a finished plan. The feedback questionnaire, draft Environmental Report and associated documentation are available at www.shetland.gov.uk/IITCShetland. The consultation closes on 9 November 2026. **The clerk shared email with Delting Community Council members.**

2026/09/14 CORRESPONDENCE FOR INFORMATION

14.1 Neshion Energy Park Newsletter - Autumn 2026 - Neshion Energy Park newsletter, which includes an update on the submission of our Planning Application to the Scottish Government's Energy Consents Unit (ECU). **The clerk shared email with Delting Community Council members.**

14.2 Shetland Island Council - September newsletter - The clerk shared email with Delting Community Council members.

14.3 Stakeholder Engagement Strategy Action Plan 2026/27 – SSEN has launched their Stakeholder Engagement Annual Action Plan 2026/27. stakeholder-engagement-strategy-action-plan-2026.pdf **The clerk shared email with Delting Community Council members.**

14.4 Wester Quarff Singer Launches Her Single: Muddy Bay (Blood & Bone) - Shetland's own Lisa Manson has now released her featured-artist single with Finn Moray, Muddy Bay (Blood & Bone), as featured in the Shetland Times. You can listen to the song, read a little more about the story behind it and support the release at www.finnmoray.com **The clerk shared email with Delting Community Council members.**

14.5 Communities Mental Health and Wellbeing Fund for Adults – NOW OPEN - Voluntary Action Shetland (VAS) is delighted to launch the Communities Mental Health and Wellbeing Fund for Adults once more on behalf of the Scottish Government on Friday 18th September 2026. The fund was established in October 2021 to support community initiatives supporting mental health and wellbeing across Scotland through Third Sector Interfaces. Closing Date for applications is Fri 13th November 2026– 12noon For an application pack and for any initial enquiries please: **E-mail: vas@shetland.org The clerk shared email with Delting Community Council members.**

14.6 Common Warnings Framework: new impact matrix now in use - Further information from the PWS Advisor - The new Common Warnings Framework impact matrix is now in use across

Met Office weather warnings and Scottish Flood Forecasting Service Flood Guidance Statements (FGS). From 1 October 2026, the Met Office and the UK's hydrological agencies introduced a harmonised impact matrix. This means that Met Office weather warnings and Flood Guidance Statements now use the same likelihood and impact terminology, making it easier to interpret risk consistently across weather and flooding information. **The clerk shared email with Delting Community Council members.**

2026/09/15 ANY OTHER COMPETENT BUSINESS

There was no Other Competent Business

2026/09/16 DATE AND PLACE OF NEXT MEETING

16.1 The Chairman called for the next Delting Community Council meeting to be held at the Brae High School on Thursday 29th October commencing at 7.30pm.

Chairman
