|---|---|--|
| | We deliver our all our services in an environmentally sustainable manner to safeguard and enhance our outstanding environment which underpins all our actions and our economic and social well being. | |
| | We have financial sustainability and balance within each partner and a better balance between a dynamic private sector, a strong third sector and efficient and response public services. | |
| | We have tackled inequalities by ensuring the needs of the most vulnerable are identified and met. | |
| | Shetland has sustainable economic growth with good employment opportunities, our people have the skills to match, good places to stay, and the transport people and businesses need. | |
| | Shetland stays a safe place to live. | |
| | People are supported to be active and independent in adulthood and in older age. | |
| | We live longer and healthier lives. | |
| | Shetland is the best place for children and young people to grow up. | |

(We ask this because we are keen for groups to share their project experience; pass on good tips and share information about good practice, or how problems were resolved, etc)

Project Expenditure

If your project expenditure is clearly labelled in your annual accounts, you do not need to complete the Project Expenditure section. Otherwise, please detail below the items of expenditure funded by this grant and submit the original receipts for this project along with this form to be examined by the Grants Unit. All project expenditure will be returned to your group following inspection.
