Subsidy Rules under the Subsidy Control Act 2022

Some reliefs are affected by subsidy control rules.

This relief may be offered as a Minimum Financial Assistance (MFA) subsidy under the Subsidy Control Act 2022. MFA is capped at a maximum of £315,000 over a three-period – cumulated over the current and previous two financial years.

To ensure that the Council complies with the subsidy regime, it may be required to cap relief at the MFA maximum limit. This may depend on:

- the level of other public sector assistance received by your entity²
- whether or not you have an interest in any business with other properties is in receipt, or eligible, for one of the existing rate relief schemes

NOTE: not all grants or reliefs are considered to be capped in this way.

You must consider whether you have already received support from any public sector body in the current financial year and the two financial years immediately preceding this. The Council will determine this from the completed Subsidy Information Declaration Form at Annex A.

Have you (i.e. your business/es) received public sector assistance over the last 3 years* that in total would exceed £315,000, or would you expect to exceed that threshold if this relief were granted to you? (*current and previous two accounting years of your business/es)

Yes No

IF YES, please complete: Subsidy Information Declaration Form (attached)

You are required to keep a written record of the amount of any MFA received, and the date/s when it was received, for at least three years from the date it was given. Any award of MFA exceeding £100,000 is subject to transparency requirements and will be published.
