

Notes
 1. All dimensions are in millimetres unless noted otherwise.
 2. New mains water infrastructure to be constructed in accordance with Scottish Water's "Water For Scotland" 3rd Edition technical standards.
 3. All electricity cable trenching works to be carried out in accordance with SSE's technical guidance (TG-NET-CAB-001) available from the SEN website.
 4. Street lighting electrical installation to be carried out in accordance with the current code of practice for street lighting BS 5489. The local Roads Authority Specification for Installation of Street Lighting and the Regulations for Electrical Installation 16th Edition as published by the Institute of Electrical Engineers.
