

SHETLAND ISLANDS COUNCIL
TABLE OF DUES TO BE LEVIED AT ALL SHETLAND ISLANDS COUNCIL
PIERS, HARBOURS AND TERMINALS FROM 1ST APRIL 2024.
(Harbours Act 1964)

‘All vessels are expected to be adequately insured prior to entry to, and whilst within, harbour limits. The Harbour Authority reserves the right to refuse entry to uninsured vessels’

Terms and Conditions

These terms and conditions are without prejudice to any rights and remedies or defences or limitations of liability available to Shetland Islands Council under any statutory provision in force, or under any bye-law published by Shetland Islands Council, from time to time.

- 1 Ship Dues shall apply to all vessels entering the limits of any of the Council's harbours except in circumstances mentioned at (2) and (3) below. These rates shall also be charged by way of berth rents where a Council pier is used in any location outside the Council's harbour areas. Vessels will be allowed to overstay the four-day period in port without additional charge if the harbour is closed, or if unberthing is suspended due to winds gusting regularly in excess of 50kts, or a lower wind speed at the duty pilots' discretion.
- 2 Ship Dues will not be levied on any vessel, which enters a harbour area in order to enable a pilot to board in difficult weather conditions, and subsequently has to depart as a result of the pilot not being able to board. Pilotage and Boarding and Landing charges will however apply in accordance with Section 2 (ii) of the schedule of Pilotage Charges.
- 3 If a vessel is required to leave the harbour by the Harbourmaster for any reason unconnected with defects in the vessel, or the vessel's operation, no ship dues will be levied on the subsequent re-entry. Please note this concession does not apply to pilotage, boarding and landing or mooring boats.
- 4 An International Tonnage Certificate (1969) shall be produced to the Harbour Master. 'Gross Tonnage' means the measure of the overall size of a ship determined in accordance with the provisions of the present Convention (International Convention on Tonnage Measurement of Ships, 1969).
- 5 In calculating charges a fraction of a gross tonne shall be reckoned as one gross tonne.
- 6 All initial bookings will be required to be confirmed in writing in the form of a Notice of Vessel Movement (NVM) before the services are required. This form can be found on the SIC website at www.shetland.gov.uk/ports.
The agency making the booking and confirming it in writing will be the sole agency responsible for the payment of invoices relating to the services booked and provided.
By making the confirmed booking, the agency are confirming that they have sufficient funds from their principle to cover the cost of the services provided.

Should there be a dispute as to the accuracy of the invoice, the agency shall raise this concern with SIC immediately and certainly within the 30 days from invoice date. Such notification shall clearly state the reason for disputing the invoice. In the event of the above conditions not being met or invoices not being paid in full within the stipulated time as stated on the invoice the agency concerned may have future bookings refused.

Cancellation of any service must be made in writing to sullomvoevts@shetland.gov.uk

7 Payment of Charges

7.1 Charges shall be in accordance with this booklet.

7.2 Charges shall be paid immediately against the invoice issued by Shetland Islands Council. Shetland Islands Council may require payment prior to the removal of goods and/or a vessel.

7.3 All charges shall be paid in full without any retention or set-off and not withstanding any claim or counter claim against Shetland Islands Council.

7.4 Shetland Islands Council may require a deposit or other financial security in respect of any charges relating to facilities or marine services to be provided.

8 Lien

Shetland Islands Council shall have a general lien on goods and/or vessels for payments of all charges due in respect of such goods or vessel.

9 Persons Liable for Charges

The following persons are liable for the payment of the charges set out in this booklet:

- a) The owner of ship (including the owner, agent, charterer or consignee or other person in charge of the vessel);
- b) The shipper of the goods;
- c) The owner of the goods;
- d) The consignee of the goods; and
- e) Anyone shipping or taking delivery of goods on behalf of the owner, supplier or consignee.

10 Liability

Shetland Islands Council shall be exempt from all liability whatever for any delay, loss or damage arising directly or indirectly as a result of any of the following:

- a) Act of God, storm, tempest or flood;
- b) Fire, explosion or impact by aircraft;
- c) The failure of jetties, docks, mooring systems and any part thereof;
- d) Non-availability of pilots;
- e) Strikes, combinations, lockouts, go-slows, stoppages or other industrial action or dispute by any person, whether official or unofficial;
- f) Civil commotion;
- g) Restrictions imposed by His Majesty's Government or by any person acting under statutory powers;
- h) Acts of Foreign Governments or His Majesty's enemies;
- i) Theft or wilful damage, howsoever caused; or
- j) Late receipt of Customs entries or landing orders, or other documents, disputes in respect of documents, or declarations made for entry purposes by

or on behalf of any person, delay in passing Customs entries or obtaining clearance of goods.

11 Jurisdiction

These terms and conditions shall be governed by and construed in accordance with Scots Law.

12 In the case of dispute of interpretation of the above charges, the decision of the Shetland Islands Council shall be final.

The Shetland Islands Council reserves the right to apply discretionary rates to any charge in the Table of Dues on application.

SULLOM VOE TERMINAL AND GAS PROCESSING PLANT

‘All vessels are expected to be adequately insured prior to entry to, and whilst within, harbour limits. The Harbour Authority reserves the right to refuse entry to uninsured vessels.’

DEFINITION

Segregated Ballast Tanker

A tanker holding an International Oil Pollution Certificate showing the ship to have segregated ballast tanks in full compliance with Regulation 13 of MARPOL. In addition the ship must be operated in this manner. A copy of the certificate shall be produced to the Harbour Master.

VAT applies to all recreation and pleasure vessels and to all other vessels under 15GT.

Terms & Conditions

- 1 Ship Dues shall apply to all vessels entering the limits of any of the Council's harbours except in circumstances mentioned at (2) and (3) below. These rates shall also be charged by way of berth rents where a Council pier is used in any location outside the Council's harbour areas. Vessels will be allowed to overstay the four-day period in port without additional charge if the harbour is closed, or if any of the following apply:
 - a) Unberthing is suspended due to winds gusting regularly in excess of 50kts or a lower wind speed at the duty pilots discretion.
 - b) Where cargo is suspended due to wind speeds gusting regularly in excess of 35kts in offshore direction or 44kts in onshore direction.
 - c) A vessel is loading two cargoes and the second type is not immediately available.For the avoidance of doubt, if for operational reasons, the Terminal requires the berth to be vacated, then the above will NOT apply.
- 2 Ship Dues will not be levied on any vessel, which enters a harbour area in order to enable a pilot to board in difficult weather conditions, and subsequently has to depart as a result of the pilot not being able to board. Pilotage and Boarding and Landing charges will however apply in accordance with section 2 (ii) of the schedule of Pilotage Charges.
- 3 If a vessel is required to leave the harbour by the Harbourmaster for any reason unconnected with defects in the vessel, or the vessel's operation, no ship dues will be levied on the subsequent re-entry. Please note this concession does not apply to pilotage, boarding and landing or mooring boats.
- 4 An International Tonnage Certificate (1969) shall be produced to the Harbourmaster.

- 5 In calculating charges a fraction of a gross tonne shall be reckoned as one gross tonne.
- 6 Craft based at Sullom Voe and operated by the Oil Industry for the sole purpose of pollution control shall be exempted from Harbour Dues provided they occupy berths designated by the Harbourmaster. When berthed other than at a berth designated for the purpose by the Harbourmaster the full Harbour Dues will be payable.
- 7 With reference to the four-day period in section 1 above, the following times will be subtracted from the overall time in port:
 - a) Tankers which for operational reasons, are called to the pilot station in advance of bad weather conditions, a fixed period of 12 hours.
 - b) Tankers that are required to move berth for two or more types of crude oil, a fixed period of three hours per move.
- 8 Ships dues are inclusive of a fee for garbage waste disposal.

- 1 At any one of the oil jetties, per mooring operation:**
 - a) per Gross Tonne £0.08
- 2 A 'mooring operation' shall be any occasion on which the services of one or more mooring boats are required for the purposes of mooring. Where a vessel is required to shift from one jetty to another the above rates will apply for each separate mooring.**
 - a) At any other jetty – per mooring boat per hour or part thereof £316.22
 - b) At any jetty but not requiring a mooring boat – per hour or part thereof £146.18

**SULLOM VOE HARBOUR AREA
SCHEDULE OF PILOTAGE CHARGES
(PILOTAGE ACT 1987)**

- 1 The following charge is payable for piloting a vessel inwards or outwards in the Harbour Area and for each piloted movement within the harbour:**
 - a) Per gross tonne £0.25
 - b) Minimum charge per act of pilotage £389.65
- 2 A charge of £229.17 per hour or part thereof shall be applicable in the following cases:**
 - i) When a pilot is requested for the departure, moving or arrival of a vessel and the vessel fails to move or arrive within one hour of the stated time of departure, move or arrival;
 - ii) When a pilot is requested and the requirement is cancelled after the pilot has set out to undertake pilotage;
 - iii) For detention aboard ship of a pilot by request of the Master, Owner or Agent and no pilotage service is being rendered, and
 - iv) When a pilot is in attendance on board a vessel berthed alongside during periods of severe weather.
- 3 Vessels which are being towed by a vessel under pilotage, and any vessel being led within the Harbour Area by a vessel which is under pilotage, shall pay pilotage dues as if the pilot were on board.**
- 4 Marine Officers of the Shetland Islands Council undergoing training may from time to time accompany the pilot but such trainees shall not be considered to be assistants to the pilot and no extra charge shall accrue to any vessel in respect of such trainees.**
- 5 An International Tonnage Certificate (1969) shall be produced to the Harbourmaster.**
- 6 In calculating pilotage charges a fraction of a gross tonne shall be reckoned as one gross tonne.**

**SULLOM VOE HARBOUR AREA
SCHEDULE OF BOARDING AND LANDING CHARGES
(PILOTAGE ACT 1987)**

- 1 For each act of pilotage undertaken every vessel shall pay a boarding fee or landing fee of:**
 - a) per gross tonne £0.12
 - b) Minimum charge per act of pilotage £389.65

- 2 If the pilot launch is detained under any of the circumstances as mentioned in paragraph two of the scale of charges for pilotage a charge shall apply as follows:**

For each hour or part thereof	£866.74
-------------------------------	---------

- 3** When a helicopter is used to board or land the Pilot all charges incurred in respect of aircraft usage, including abortive missions, will be charged to the ship's account. In addition, as a launch is required for safety cover, the normal boarding and landing fee will be charged.

- 4** An International Tonnage Certificate (1969) shall be produced to the Harbourmaster.

- 5** In calculating charges a fraction of a gross tonne shall be reckoned as one gross tonne.

- 6** Vessels which cannot provide regulation boarding equipment and in particular those with forward leading accommodation ladders, may receive or land their pilots by helicopter, if a helicopter is available. In such cases all charges incurred in respect of aircraft usage, including abortive missions will be charged to the ships account.

- 7** Special rates are applicable for the performance of duties outside those normally associated with pilotage and these are available on request from the Executive Manager/Harbour Master – Ports and Harbours Operations.

The Shetland Islands Council reserve the right to apply discretionary rates to any charge in the Table of Dues on application.
