4. THE LICENSING OBJECTIVES AND THE BOARD'S LICENSING POLICY STATEMENT

- 4.1 The Act requires the Board to publish a statement of its licensing policy with respect to the exercise of its functions under the Act and that has regard to the licensing objectives⁸. The Board's policy statement outlines the way it intends to exercise its functions under the Act and to promote the licensing objectives.
- 4.2 The licensing objectives provide a basis for the Board's proper and reasonable determination of an application for the grant of a premises licence or of an occasional licence; an act or omission by a holder of a licence under the Act that is contrary to the licensing objectives may lead to the imposition of sanctions on a personal licence holder or provide grounds for the review of a premises licence. The attachment of conditions to a premises licence or occasional licence may be based on any of the objectives.
- 4.3 Reports by the Clerk to the Board regarding applications for determination and advice tendered by the Clerk to the Board during Board meetings refer the Board to its policy provisions, the licensing objectives and grounds for objection, as well as grounds for refusal. In the same way, advice is also given that applications must be refused if they are inconsistent with any of the licensing objectives. The Board's attention is drawn by way of guidance to pertinent provisions of the Board's statement of licensing policy.
- 4.4 The Board can provide a summary of decisions made, as provided in the section on Background Information above⁹, it is more difficult for it to provide detailed analysis of all decisions. It is, however, of relevance that –
- the Board's Licensing Policy Statement sets out the Board's approach;
 - Board meetings are held in public;
 - agendas and reports are published;
 - minutes of meetings are published; and
 - Statements of Reasons, which are detailed documents, can be requested in accordance with the Act for specific decisions on applications.

The amount of relevant expenditure has been calculated by adding up the staff costs and attributing an amount for overheads.

6. CONCLUSION

6.2 The Board is mindful of the challenges brought by changes to law in relation to the sale, use and abuse of alcohol and has regard to national policy as societal attitudes in the performance of its duties.
