This has been brought up with the roads department previously, where they stated that the roads were done as a priority but the pavements would have to be done by hand as there is not a vehicle in Sandwick that can be used, This means

that the staff have to be at the stage where all of Scalloway and Lerwick are cleared before Sandwick would be considered.

- d) Chair reminded members of the Community council consultation with one part of the consultation being about youth representation.

Carried forward

- i. **Senior Pupil council invitation.** – Chair will maintain contact with staff to organise a visit.
- ii. **Broonies Taing Pier** is an ongoing concern for the community, due to safety concerns the members of the community council are keen to see a resolution and will continue to support were appropriate.
